

Tour Note of Shri Ram Muivah, I.A.S., Principal Secretary (Works/Transport), Government of Manipur for the month of July, 2011 to Maram, Senapati on 29th July, 2011.

i) Inspection of NH-39 (Imphal Maram Sector):

Accompanied Hon'ble Minister (Works/Transport) for inspection of landslide and sinking zone at Maram – 236.200 km. It was noticed that the entire road of about 50 metres of NH-39 (now NH-2) at km 236.200 has sank by about 5 ft. It is close to the spot where the entire road was sank 12 ft. last year. It was reported that State PWD constructed retaining wall and breast wall last year but sanction of the work by MORTH is still awaited. It was felt that given the entire mountain side has slide down along with the road, boulder sausage retaining wall and breast wall should be constructed to prevent further sinking of the road. Suitable proposal/estimate may be submitted for onward submission to MORTH for consideration and sanction under NH (O) or FDR.

--- Action: Chief Engineer, PWD.

It was further noticed that the entire NH-39 from Imphal to Maram – 90 km. was in bad shape except a few stretches. The worst sectors were Koirengai to Pheidinga - 304-311 km. and Mayangkhang to Hengbung - 263-272 km. The concerned Engineers reported that Contractors have given assurance for improvement of the road by September, 2011.

Submitted for kind information.

**Chief Secretary
Govt. of Manipur**

(Ram Muivah, IAS)
Principal Secretary (Works/Tpt)

No. 1/1/10-PS/W
